

TMNT™

AUTO ATTACK LEO INSTRUCTIONS:

1. Get ready for awesome Auto Attack action by first plugging in the battle pack's handles into the battle pack, then plug the whole rocket pack into the back of Leo's shell. Line up the two handles with Leo's forearms and plug the handles into Leo's hands.

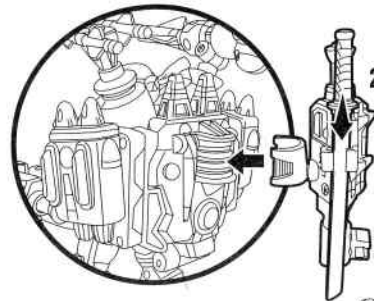

- 2a. Attach Leo's Katana to the super weapon by clicking it into the slot on the side. Then, attach the entire weapon to Leo's forearm.

7. Twist the back of the launcher to launch the projectile on the top right of the battle pack.

8. To activate the slashing action on the super weapon, push the button on the back to make it move up and down.

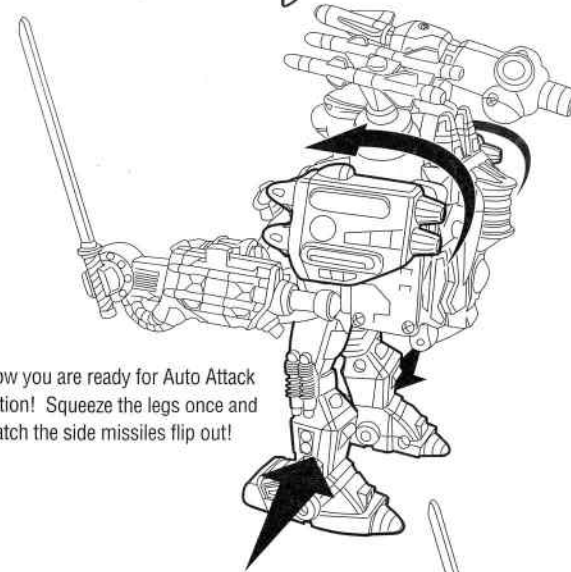

- 2b. You can also load the super weapon onto the back of the battle pack.

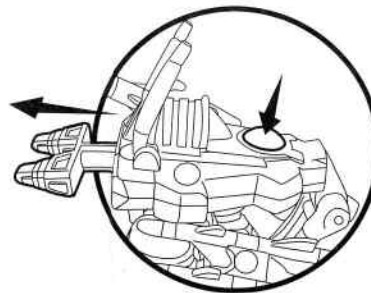

3. Lock in all 3 of the rockets. Twist the side rockets until the rockets are pointing up towards the sky and then push the rockets down until they click in. Then push the top rocket launcher (marked b.) all the way down into the battle pack until it clicks in and the rockets are pointing up to the sky.

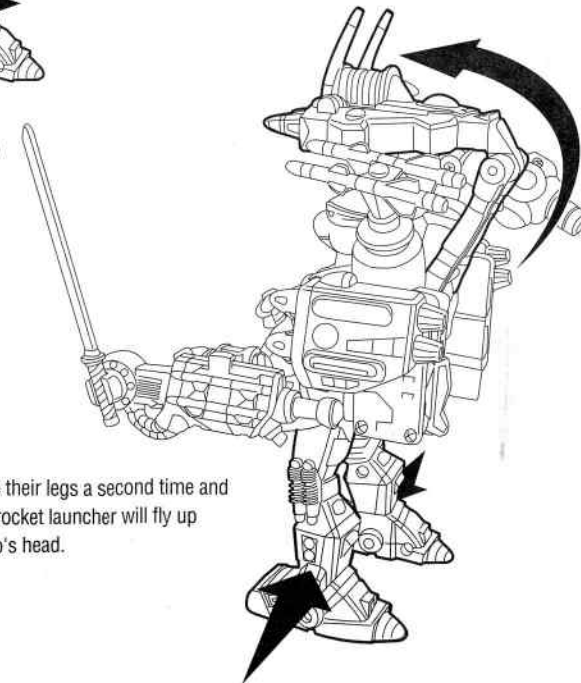

4. Now you are ready for Auto Attack action! Squeeze the legs once and watch the side missiles flip out!

6. Push the button on the top to launch the top rockets!

5. Squeeze their legs a second time and the top rocket launcher will fly up over Leo's head.
